

National Service Scheme

The National Service Scheme(NSS) was launched in the year 1969 to celebrate the birth centenary of the Father of the Nation Mahatma Gandhi . The University Grant Commission headed by Dr. Radha Krishnan recommended introduction of National Service in the academic institutions on a voluntary basis with a view to develop healthy contact between the students and the teachers on the one hand and establish a constructive linkage between the campus and the community on the other hand .At present , there are four units of N.S.S in our college . In each unit 100 seats are allotted by Maharshi Dayanand University , Rohtak . Our Programme Officers are:-

Unit 1 - Programme Officer : Dr. Reena , Assistant Professor of Mathematics

Contact No. : 9254250236

Our N.S.S. Units work hard to bridge the gulf between the educated and uneducated section of the community . In the process of hosting a variety of programmes and engaging in work with other welfare organisations , our students are empowered with organisations skills and get exposure to democratic leadership .

Symbol of N.S.S (National Service Scheme)

The symbol for the NSS has been based on the giant Rath Wheel of the World-famous Konark Sun Temple (The Pagoda) situated in Orissa . The Wheel represents the cycle of creation , preservation and release . It heralds the movement in life across time and space , the symbol thus stands for continuity as well as change and implies the continuous striving of NSS for social change . The red colour specifies that the volunteers are full of young blood i.e lively , active , energetic and full of high spirit . The navy blue colour indicates the cosmos , of which the

NSS is a tiny part and is ready to contribute its share for the welfare of mankind . It stands for coherence as well as change and implies the continuous striving of NSS .

Aims - Being the third dimension of education , NSS is part and parcel of our academic , social and personal life . It galvanises the students assiduously for imparting their services for the sake of their community and nation . The Motto of NSS “**Not Me But You**” accentuates that the well being of an individual is ultimately dependent on the welfare of the society as a whole . Thus , our NSS Units aspire to serve the underprivileged people through education . Our Units also make untiring efforts to promote the unity and integrity of the nation by bringing together young people from diverse geographical and socio-cultural background .

Types of Activities :-

Generally , our NSS units perform two types of activities : Regular Activities (120 hours) and Annual Special Camp(120 hours) .The units work for sensitising young minds to contribute for the welfare of society by organising various activities throughout the year . It carries out several community outreach programmes . All the NSS volunteers who have served NSS for at least two years and have performed 240 hours of work under NSS are entitled to a certificate from the university under the signature of the Vice Chancellor and the programme coordinator . The Annual camps are known as Special camps and are usually located in a rural village or a city suburb . Our volunteers work for eradication of social evils and illiteracy , for watershed management , wasteland development , agricultural operations , health and hygiene , sanitation and nutrition , mother and child care , for family life education , for gender justice ,for development of rural cooperatives and for savings lives . Our programme officers and volunteers actively participate in environmental upgradation programmes , in tree plantation drives , in campus cleanliness projects and in various rallies and awareness campaigns .
