## Free Passport Service for the Girl Students

### Pass Port Committee

It is generally observed that students studying in government colleges in the state are not able to explore the possibilities of higher studies in good foreign Universities due to lack of knowledge there of, which reduces their job opportunities in foreign countries. ### Action Taken Report on Complaint Submitted by Students of BA First Year

A complaint was submitted to the Principal of our college by Ms Mehak (121102582) and Kirtika (12111002390) B.A. 1<sup>st</sup> year students regarding flirting them by another student of same class.

This complaint was forwarded to Sh Pramod Gauri Convener, Internal Complaints Committee (ICC) for redressal on 30/11/2021. He called and convened a meeting of ICC. The committee read the letter very carefully and talked to accused on December 1, 2021.

On December 2, 2021 complainants were called to explain their grievances for cross examination and inquired about the facts mentioned in the complaint letter.

The accused immediately realized her mistake and apologized in writing to stay away from all such mal-activities in future and also ensured the committee that she will only focus on her studies.

On December 4, 2021. The Committee discussed each and every fact and all the committee members were of the unanimous opinion that:

1. All the students are from BA first year and have joined college after completing their schooling
2. The respondent has realized it seriously.
3. In the interest of complainants, respondent and the college, the committee must take steps to settle the matter through conciliation.
4. The complainants were called and the committee assured them that respondent has realized not to repeat such action in future.
5. The complainants were satisfied with the action taken by the committee

Keeping in view of the above and following the basic principles of natural justice and fair play the committee decided to close and file this complaint.

Subject - Improvement in the College Canteen

Dear Sir,

Through this letter of mine, I wish to draw your attention towards the unhygienic conditions of College Canteen. Earlier also we had put a notice on 30<sup>th</sup> on which no action was taken.

Our College Canteen is providing oily food to the students. The sedentary lifestyle of today's students is also making them disease prone.

Whereas, if seen, the prices of the rate list are more low & we are giving things here in more high prices like the price of the potatoes is ₹ 10 but in the rate list is ₹ 6.

I request you to make arrangements for the supply of nutritious food at the canteen.

Thanking you

Yours faithfully,

All Girls of your College.

## Annual Gender Sensitisation Action Plan

## **Gender Sensitisation: An Introduction**

Gender Sensitisation is one fundamental requirement for the normal development of an individual. Without being sensitive to the needs of a particular gender, an individual may refrain from understanding the opposite gender. The need for this sensitivity has been felt and realized through times immemorial and in almost all kinds of human existence, across the globe. But somehow in recent times, a much stronger need is felt and realised to talk and discuss about this sensitive topic both on a personal and professional front. It is felt that individuals need to be more open-minded, rational and unbiased in their thoughts and actions. There is an urgent need to shatter the load of our orthodox beliefs and biases values to accentuate the progressive existence of both the genders. Gender sensitivity can help root out negative attitude about gender and sexuality; it helps us de-condition ourselves to make way for more progressive values. Although the law mandates gender sensitisation in educational institutions, not everyone takes it seriously. In a world preoccupied with assigning the onus of safety to survivors and marginalised groups, an effective gender sensitisation session should raise awareness among everyone. Gender sensitisation can be understood in simple terms as a modification of behaviour by addressing issues of gender inequality. Govt. P.G. College for Women, Rohtak is a powerhouse of gender sensitisation as it is the college from where thousands of students graduate every year and carry with them a 'mindset' trained here. The college is committed to gender sensitisation which is reflected in its annual gender sensitisation action plan.

### **Gender Sensitisation Action Plan**

- ❑ To sensitise the new students by regular sessions within the induction and the orientation programmes.
- ❑ To provide a mentor (who will be a teacher of her department) to the new students, weekly meeting between the mentor and mentee are to be conducted for them to smoothen the burden of study and to ease the stress in the new atmosphere.
- ❑ To conduct awareness programme for safety and security on regular basis.
- ❑ To organise annual defence training workshops for empowering the girls.
- ❑ To organise yoga workshops and fitness training programme for the physical and mental fitness of the young girls.
- ❑ To conduct regular meetings of the committees of Grievances and Redressal cell to ensure the safety and security in all aspects.
- ❑ To sensitise the young girls by the inclusion of topics related to Gender sensitisation for the girl students.
- ❑ To conduct counselling sessions for the girl students.

### **Objectives of Gender Sensitisation**

- ➡ To create an environment of justice.
- ➡ To instill positive values so as to erase biases in the young developing minds as they progress towards the fair and unbiased society.
- ➡ To create an inclusive gender diverse workplace with fair practices.
- ➡ To work towards modification of behaviour by raising awareness of gender equality concerns.

- To appreciate the fact that the rights of every woman is as important as her male counterpart.
- To create an open-minded society.
- To familiarise them with their constitutional rights and safeguards.
- To provide mentorship.
- To establish a formal mechanism to deal with the issues related to sexual discrimination and abuse.
- To conduct gender awareness and sensitisation activities on regular basis.
- To foster Student's Code of Conduct that promotes gender parity at the governance level.

**Aims** - Being the third dimension of education, NSS is part and parcel of our academic, social and personal life. It galvanises the students assiduously for imparting their services for the sake of their community and nation. The Motto of NSS “Not Me But You” accentuates that the well-being of an individual is ultimately dependent on the welfare of the society as a whole. Thus, our NSS Units aspire to serve the underprivileged people through education. Our Units also make untiring efforts to promote the unity and integrity of the nation by bringing together young people from diverse geographical and socio-cultural background.

**Types of Activities :-**

Generally, our NSS units perform two types of activities: Regular Activities (120 hours) and Annual Special Camp (120 hours) . All the NSS volunteers who have served NSS for at least two years and have performed 240 hours of work under NSS are entitled to a certificate from the university under the signature of the Vice Chancellor and the programme coordinator. The Annual camps are known as Special camps and are usually located in a rural village or a city suburb.
