Subject : Request for improvement of college and its facilities.

Respected Mam

With due respect, we the students of G.C.W., Rahtak, want to draw your kind attention towards some indisciplinaries and insecurities regarding our college. There are many people who enter the college and tries to manipulate or create issues with the students. We request you to prohibit the entries without I'd card. Some of the students are using their phones or other devices in educational blocks, not for education but for their photography and videography to post or share or for long calls (video calls as well as voice calls). So from the above, we, instert request you to provide the notices in every block about the compulsion of I'd cards and ban on the use of phone or other devices rather than for education purposes and create some strictness at the college gate so that only students can enter, none other or ot outsider. Another problem is about the lock systems of the washrooms as they are broken. So, please try to repair them as possible. One

last and major issue is about the cleanness. We are aware of the girls regarding it but furthermore we have a hope from you as well. We, kindly making a humble request and expect you to help us and will look after ~~at~~ the every issue and insecurity and try to improve the condition and facilities of our college
